Pohick Bay

ShareThis [1]

May 19
Sunday

Welcome to Pohick Bay Regional Park for this event! This year, we will be based out of Shelter #2, which is a different registration and start/finish area from last year (diagram below). A full set of courses from beginner (white) to advanced (blue) will be available thanks to course setter Keg Good.
Course stats are now posted below, and detailed course and map notes are posted below. As for timing, plan on showing up anytime between 10:45am - 1:15pm, start any time between 11 - 1:30, and make sure to be back before 3pm.
Any youth or large groups attending, please contact the Event Director [2] so that we can coordinate pre-registration for your group; the group registration and waiver form [3] is part of the information on our Group Leaders [4] page.
Additional Information:

- Note that a park entry fee must be paid to the attendant at the park gate. Those who live in the NOVA Parks jurisdiction (residents of Arlington, Fairfax and Loudoun Counties; Cities of Alexandria, Fairfax & Falls Church) are admitted free. They should be prepared to show ID at gate. Those who live outside the jurisdiction will pay $4 per vehicle at the gate. That is the shelter-rental rate, so they should inform the attendant that they are there for the orienteering event at shelter 2. If the parking lot near Shelter 2 (see the map) is full, proceed down the hill to the Boat Ramp parking lot and walk back up to the registration site.
- Dogs are welcome, if they are on a leash at all times.
- Have a question about this event? Just ask our Event Director [2].
