

Prince William Forest Night-O

[ShareThis](#) [1]

February 27
Saturday

Come orienteer in the dark - it's fun, it's instructive, and we've got a warm lodge with a fireplace, food and convivial folks to hang out with after your run.

This Night-O event does not require pre-registration, so just come to the event and register any time between 6pm - 7:30pm. Start your course any time between 6:30 - 8:30pm, and be absolutely sure to be back before 10pm.

Course options include beginner, intermediate and advanced level courses; preliminary details are posted below. A potluck dinner will start around 8:30pm, with socializing and games for those who are so inclined the rest of the evening.

If you are planning on spending the night in one of the group cabins, you do need to pre-register. To learn more about the facilities [click here](#) [2]. The Happyland Camp can accommodate up to 104 people staying overnight in one of 4 heated dorms (mattresses are provided; overnighers will have to bring their own bedding); for more information on this, see the [Training Weekend](#) [3] webpage.

Any youth or large groups attending, please contact the [Event Director](#) [4] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [5] is part of the information on our [Group Leaders](#) [6] page.

Any questions? Feel free to use our [Contact Us](#) [7] form or email an event volunteer directly via the linked names below.
