**December 18
Sunday**

Welcome back to Swanson Road, more formally known as the Patuxent River Park Marlboro Natural Area. It is a lovely location that QOC has not enjoyed since 2014. Our course-setter reports that this is a small but fun area. Be sure to read the course setter's notes below for the course information farther down the page; some areas of the park are best avoided.

Intermediate Training: Not only will this be an opportunity to burn off some of those extra holiday calories, but intermediate orienteers (advanced yellow and up) may benefit from special training provided at 1:30 p.m. from Mihai Sirbu. He has generously offered to provide some exercises for precision pace counting, and route choice. Look for Mihai near the registration table a bit before 1:30.

Beginner Instruction: There will be beginner's instruction, as always, as well. If you are interested and don't see who is giving it, ask at the registration table. A QOC member will show you how to read a map, teach you how to use a compass with your map and give you hints on how to navigate your choice of course. Besides that, just wear a smile and the clothes you would for a hike or run in a local park. Bring a compass, if you have one, or borrow one at the event.

Dogs (on leash) are welcome too.

Parking: Driving directions are

below. Look for the sign on R. 301 to the Prince George's Radio Control Club for the turn-off. There is very limited parking near the registration. Most parking will be along the entrance road between the paved cul-de-sac and the two barns. Please park compactly to leave room for others and follow directions from QOC volunteers.

Registration opens at 10:45 and ends at 1:15 p.m. People may start anytime between 11 a.m. and 1:30 p.m. Everyone must be back to download by 3 p.m. Don't forget to download even if you don't finish, so we don't need to send out a search party!

Youth or large groups attending, please contact the [Event Director](#) [2] so that we can coordinate pre-registration for your group; the group registration and waiver [form](#) [3] is part of the information on our [Group Leaders](#) [4] page.
