**January 5

Welcome to QOC's classic

orienteering event at the Turkey Run Ridge camping area in Prince William Forest Park--the first time we've returned to this specific venue since 2016.

Pre-registration for this event is required and is now open [here](#) [2].

Karla Hulett and Gary Smith are designing a full set of courses (preliminary stats, pending approval, are now posted below) that will take advantage of the terrain south of the camp ground running down to the South Fork of Quantico Creek, a sector that we have used much less in the past than the areas north, east, and west of Turkey Run Ridge.

Also, this year, for the first time, we will be parking at Turkey Run Ridge in the parking lot and in camping areas A-E rather than shuttling from the parking areas near the park HQ. Participants will drive their cars directly to Turkey Run Ridge, following QOC signage. White and Yellow Courses will cross Turkey Run Ridge Road; please use extra care when driving into the parking area. In an effort to minimize congestion at the registration site, we encourage car pooling.

The park entrance fee is \$15 per car, and although there is a planned increase on January 1st, 2020, the park will maintain the \$15 fee for our event. If the pay station at the park entrance is not manned, entry fees can be paid at the park HQ before driving out to the registration site at Turkey Run Ridge. (As a side note, with entry fees at PWFP rising in the near future to \$20 per car and the cost of an annual park pass at \$35, QOC members may want to consider purchasing annual passes for this great park.)

For those new to orienteering, we will hold beginner orienteer training continuously during the event; just tell the friendly folks at registration if you'd like to be in one and they'll take care of you. Also, make sure to check out our Your First Event and For Beginners webpages, and if they don't answer any question you have, just use our [Contact Us](#) [3] form and ask away!

Group Leaders: please see our [For Group Leaders](#) [4] webpage and then contact the [Event Director](#) [5] so your group can get pre-registered in advance. Do not use the online registration (it's for individuals and groups of 4 or less).
