NOTICE of Proposed Amendments to the QOC Bylaws

The QOC Board of Directors is hereby submitting the following bylaw amendments and revisions for consideration and approval at the Annual General Membership meeting being held in concert with the Jug Bay event on Sunday, May 21, 2023, at 11:25 am on the grounds of the Jug Bay Caretakers House, Bristol, Maryland. Pursuant to Article VI of the bylaws, any amendment or alteration of the bylaws must be approved by a majority of the members attending a duly called General Membership meeting.

The first amendment is necessary to comply with Federal regulations governing the use of the Marine Corps Base Quantico (MCBQ) by non-federal entities, such as QOC, that require that the organization's bylaws state explicitly that *"No person shall be discriminated against because of race, color, creed, sex, age, disability, or national origin, or otherwise subjected to unlawful discrimination."* As a matter of policy and compliance with Federal law, the organization has never discriminated against any of these classes and the proposed amendment is an affirmation of these facts.

Amendment 1. The following amendment is proposed for inclusion under Article I, Section 2. of the bylaws.

Sec. 2. No person shall be discriminated against because of race, color, creed, sex, age, disability, or national origin, or otherwise subjected to unlawful discrimination.

The adoption of this amendment further requires renumbering the subsequent sections under Article I to Sections 3. and 4.

Since the beginning of the pandemic the Board of Directors has been conducting virtual meetings that are publicized and open to any club member who wishes to attend. Virginia law does allow corporations to conduct virtual Board and Governance meetings, but the QOC bylaws have not been updated to reflect this fact. The following revisions are being proposed to bring the bylaws in alignment with applicable state laws.

Revision 1. Under Article II, Section 1. In the last sentence the word "*physically*" is being deleted. Thereby eliminating the requirement that members must be physically present to vote at any general membership meeting.

Revision 2. Under Article IV, Sec. 3, the words "*virtually or*" are being added to the first sentence, which brings the bylaws in line with State laws permitting meetings of the Board of Directors to be held virtually.

It has been the practice of the club, when such meetings are not restricted by public health regulations, to hold the Annual General Membership Meeting at which Officers and Directors are elected in person and in concert with a club orienteering event. The circumstances that arose during the pandemic restrictions, brought to light the need for the Club to have the option to hold such meetings virtually. All other provisions regarding notification requirements remain unchanged.

Revision 3. Under Article IV, Sec. 4, the clause "*in person or virtually*" is being added to permit General Membership Meetings to be held either in person or virtually.

Please see the marked up version of the bylaws online to view the proposed amendment and revisions in context.
