

Mid-Atlantic Championship 2022 Results

While everyone attending this fine event was a winner, in terms of the club competition, QOC recaptured the coveted Broken Compass Award this year. The scoring results below have been tabulated by **Ted Good**, who did a fantastic job of designing and setting all the courses for the day. Many thanks to Ted for the work he put into making the day an enjoyable experience for all participants. There were approximately 280 participants out on what turned out to be a brisk but sunny day.
